PROMOTION:
Fully Managed
Solutions for POTS
Replacement

* The price is \$39.99 for the first line of service and \$29.99 for each line thereafter (up to 8 lines of service). Either the Skyswitch reseller can provide the Skyswitch license, or MACH can do so for an additional \$5/month/LoS. Additional terms and conditions may apply. Offer expires 9/30/2024.

Skyswitch Partner Promotion

AReS™

AReS™ POTS Replacement Solutions deliver enterprise-class connectivity for fire alarms, elevators, call boxes, burglar alarms, fax, and virtually any other connection that uses analog connectivity.

skyswitch
A BCM One Company

SkySwitch Partners now have the ability to replace legacy analog lines with LTE-based IP connectivity for fire alarms, elevators, call boxes, and more, while at the same time providing their own instance of SkySwitch.

Fully Managed Solutions Fulfilled, monitored, managed, nationwide installation and supported with a Lifetime Warranty by MACH Networks
